sailing for people with disabilities in a
challenging yet safe and fun environment*

***The Friends of Rutland Sailability are
our ambassadors and supporters in
the community.***

You can play an invaluable part by:

- Identifying people with disabilities who might come and try sailing with us.
- Encouraging individuals to give a little of their time to come to Sailability to help our sailors and support our activities.
- Making a regular donation to our funds, that can be Gift Aided to increase its value.

About Rutland Sailability:

Rutland Sailability is a charity that exists with the sole aim of helping people with disabilities to enjoy the thrill of sailing.

By providing support, equipment and RYA qualified training; we are able to give our sailors the opportunity to enjoy the challenge of a physical activity in a safe and friendly atmosphere

This experience can help in so many ways – presenting a challenge that can be achieved in safety and with enjoyment – increasing self-confidence and self-esteem – an introduction to a sport that was thought to be beyond the ability of individuals – providing strong social activity and welfare support.

Members can be involved in activities ranging from basic shore skills to learning to sail - including taking part in national and international sail racing events.

Many of our members also take an active and important part in the running of our club

We are based at Rutland Sailing Club, on Rutland Water – the largest man-made lake in the UK

Currently, we have around 200 members, aged between 8 and 85 years – with 50% of our membership able bodied helpers – to provide the support required to enable our disabled sailors to enjoy their sailing.

About Friends of Rutland Sailability

As a Friend of Rutland Sailability you will receive:

- Regular newsletters updating you on the action and achievement of our disabled sailors
- Invitations to talks, presentations, sailing events and **'Friends Days.'**
- Opportunities to consider legacies in support of Rutland Sailability
- Full support from the trustees and members – to help you to promote the benefits of Sailability and attract new sailing members and helpers
- A great welcome when you call to see us sailing at Rutland Sailing Club – drop in for a coffee and enjoy the view!

- **As a disabled person** - joining in with our sailors and enjoying the fun of sailing.
- **As an able-bodied person** - giving a little time to support our sailing members.
